SUMMER READING PROGRAM

Take a trip "Around the World" for summer reading fun! The Children's Summer Reading Program will begin on June 18 and end on August 31 and is open to children from pre-school through 6th grade.

With each book the child reads and reports, he or she will travel around the world to such places as Mexico, Africa, Greece, Great Britain, India and the Orient.

Awards and reading certificates will be given at a Mini-International Program on Sat. Sept. 8 at 2:00, where children and adults will wear native costumes and feast on international goodies!

In conjunction with the Summer Reading Program, the Children's Dept. will sponsor an Essay Contest on the theme, "The U.S.A. - We All Came Here From Somewhere Else." Children born in a foreign country can tell about the food, clothing, customs, and people of their birthplace, or children whose parents or grandparents came from another land can tell about their experiences in their native country.

The most interesting essays will win prizes and will be printed and distributed to library patrons.

FROM THE LIBRARIAN'S DESK. . . . . .

Each year at this time, we like to look back at what we have accomplished in the year completed and the past year has been particularly good.

The survey we sent in October, 1983, brought a 20% response and showed strong library support in the Village, as well as providing us with insight into some areas of concern and ideas for improvement.

Our book collection increased to 112,161 volumes in 1983-84. Our audio recordings now number 5,196 and we have 448 periodical subscriptions.

The total circulation of all library materials was 242,180, an increase of 6.2% over the preceding year. All of the increase was in children's materials, a remarkable fact in these days of a declining juvenile population.

Our Reference staff handled 16,000 requests for information on a wide range of subjects and also handled requests for 646 periodical articles from Central Serials Service, which is housed in our library.

The North Suburban Library System makes it possible for all patrons of its member libraries to borrow from any library in the system and nearly all in the state of Illnois, including the Chicago Public Library. Under the program, we loaned 33,616 books to patrons from other libraries and Morton Grove patrons borrowed 30,280 items from other libraries.

13,580 individuals attended the multitude of programs offered during the year in the Library. Monthly travelogs, feature films, and book discussions, concerts, investment seminars, book reviews, and various lectures on home and garden, fashion and health were all included in our busy Library calendar.

The Joint Computer Program for Libraries, a consortium of the Morton Grove, Skokie, Deerfield, and Waukegan Public Libraries, is under way with a project manager hired and final contract negotiations in progress. It is our hope that we may have delivery of equipment early in the Fall and we look forward to 1984-85 as we enter the world of computerization.
